Year 1 Homework

This booklet contains all of your homework for this half term. You may complete the booklet as quickly or as slowly as you wish but it is due back on:

Monday 17\textsuperscript{th} October

Although paper is provided you do not have to use it - if you want to be more creative then please do. You might make something rather than drawing. (There will be extra house points for creativity!)

You \textbf{must} do activities 1-6.
The rest are optional.

Don’t forget you should also be spending time at home reading.
Activity 1

Draw a picture of your favourite sea creature and describe it.

*Make sure you write at least 3 sentences!*

Activity 8

House Point Challenge!

Create and design your own imaginary sea creature. You could use: junk modelling, paint, collage materials - be as creative as you like!

Use the pictures below to get some inspiration!
Activity 9

House Point Challenge!

Using your knowledge of waterproof materials, can you design a boat?

Make sure you draw your design and add labels to say which materials you are using for each part of the boat.

If you’re feeling creative you could even make your boat!
Activity 10

House Point Challenge!

Can you investigate which of these objects float or sink. Can you sort them into the table below?

Apple, banana, orange, wellie boot, toy car, house keys, pencil.

Find some other objects around your house that float or sink and add them to the table below!
