Class 10 News

Class 10 are on a roll - and no I don't mean the bread rolls they made on WOW day!

The levels of enthusiasm, determination and effort has been amazing this week despite having a long break. Class 10 thoroughly enjoyed our WOW day on Monday where they got the chance to become bakers by design-

ing, making and baking their own bread rolls. As well as this, they even designed their own packaging using a cuboid net. They added a title, ingredients list and some even drew their own barcode. We have also learnt about what it takes to get the wheat from the fields all the way to the shops. In the afternoon, we focused on Alice in Wonderland to support the writing we will be doing in

English including letter writing, and summarising and creating their own fantasy stories.

The children were immersed in the Mad Hatter's tea party where we got to enjoy a cup of tea and make some peculiar sandwiches. The wackier the better! Children had to choose from raisins, ketchup, cheese spread and cucumber- some were brave enough to include them all!

Over the next few weeks, year 4 will be learning more about different foods, where they come from, understanding what a carbon footprint is and also fair trade. In science, we will be exploring the digestive system in order to understand what actually happens to our food after we have eaten it. Be sure to come along to our fabulous finish towards the end of the half term where you will get to see the digestive system live in action!

Jungle Explorers

In EYFS we came into school and took on the role of jungle explorers. We spent the day searching for animals, exploring in the tree top house and creating the animals we saw. We used lots of different resources including paint, play dough and construction toys. We also read the story *Rumble in the Jungle* and chose our favourite animal to be painted on our faces! EYFS became very noisy with all the jungle animals! We are looking forward to seeing what else we will discover during our Explorers topic.

Golden Tickets

Congratulations to all the children listed above, who recorded 100% reading for the last half term. All earned a golden ticket in the drawer to win a new book.

All aboard sailors!

In Year 1, we are looking at pirates and began our WOW day thinking about what we would like to know about pirates. Jake wondered “Why do they have a hook?” while Emily questioned, “What do pirates eat?” Our day continued with more fun and excitement as we explored the pirate ship in class, found treasure in a chest and dressed up as pirates ourselves.

During creative times, we made pirate paper plate faces and our own hats and eyepatches. The class looked amazing in their costumes accessories. As a class we also learned a song, which you can find on our e-school page as well as some photos of the day.

Is your child due to start school for the first time in September 2020?

Apply online by **15th January 2020** via the website www.milton-keynes.gov.uk/schooladmissions.

If you need advice or information on completing the online application for your child, please contact Milton Keynes Council School Admissions .

Parents' evening

Parents' evening will be on Tuesday 11th and Wednesday 12th February from 3.50-6.00pm. You will be able to make a booking via the eSchools website from Tuesday 22nd January. All bookings for parents' evening can only be made via eSchools. If you have forgotten your log in details please contact the school office. Alternatively for technical support please call eSchools on 08455578070.

Hot Chocolate Fridays

Congratulations to the children pictured, who joined Mr Billing for Hot Chocolate with the Headteacher on Thursday 19th December. As always we're all excited to see who gets to join me the next few weeks.

Birthdays We would like to wish a very 'Happy Birthday' to the following children who are celebrating their birthday this coming week:

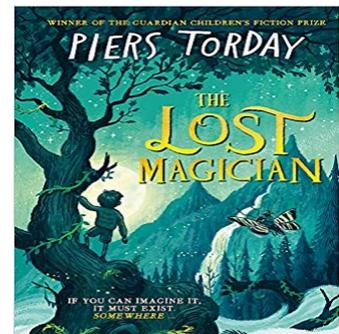

Leah McNeely
