

Key Learning in Mathematics – Reception

Number – number and place value	Number – addition and subtraction	Number – multiplication and division
<ul style="list-style-type: none"> I can count forwards to 20, beginning from 0 I can order numbers from 0 to 20 I can recognise which number is one more/less for numbers 0 to 20 	<ul style="list-style-type: none"> Using quantities and objects, I can add and subtract two 1-digit numbers by counting on and back to find the answer 	<ul style="list-style-type: none"> I can solve problems involving doubling and halving using sharing
<ul style="list-style-type: none"> I can recognise one half of an object or shape 	<p>Geometry – properties of shapes</p> <ul style="list-style-type: none"> I can recognise, create and describe patterns I can explore characteristics of everyday objects and shapes and use mathematical language to describe them 	<p>Measurement</p> <ul style="list-style-type: none"> I can use everyday language to talk about size, weight, capacity, distance time and money to compare quantities and objects and to solve problems
	<p>Geometry – position and direction</p> <ul style="list-style-type: none"> I can use everyday language to talk about position 	
	<p>Statistics</p>
