

New Chapter School

Class 14's News

Class 14 have had a busy but enjoyable term! Our topic, Love, Peace and War has enabled us to learn all about WW1 and what life was really like during these difficult times. We have researched the concept of enlisting, life in the trenches and the role of women, where we presented our work in a variety of ways. We were even lucky enough to film a Remembrance Assembly, which was played to the whole school, to remember the heroes who have fought and those who continue to do so in the many different wars.

In English, we have been exposed to a range of text types including writing diary entries, a biography of a soldier and most recently a flashback, which was based upon the short film clip 'The Piano.' We thoroughly enjoyed using 'The Piano' as a stimulus for our writing – as this also helped us to take part in some drama activities to support our understanding of flashbacks.

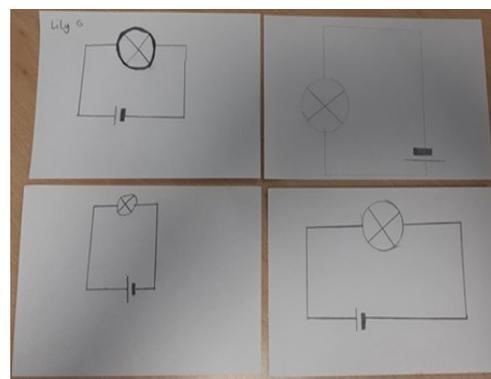

In science, we investigated circuits and, using the equipment provided, had to work out how to make the bulb light up. Demi and Jacob were incredibly proud that they were the first pair to be successful in this task. Great team work both of you! We later looked at how adding more cells and bulbs affected the brightness of the bulb.

To end the lesson, we then drew pictures of circuits to ensure we had fully understood the task.

We are looking forward to next term's topic ... Rumble in the Jungle!

Until then, we would like to wish all of our families a wonderful two week break. Mrs Trigg and Mrs Green.

The Worldwide Christmas Jingle is happening to celebrate our togetherness, help spread Christmas cheer and to keep Santa's sleigh going.

We've had the 8.00pm cheers for our heroic frontline workers, the communities singing together while trapped in their homes and now the 2020 Christmas Eve Jingle is almost upon us!

The Jingle will take place **worldwide** at 6 pm on Christmas Eve. All you need to do is head outside and ring a bell to help guide Santa and spread the Christmas cheer.
