

New Chapter School

We are very fortunate to have been donated a number of laptops this week. These will be passed on to families who will greatly benefit from them. Thank you to Mr Prime for organising this and all of the kind people who donated the laptops; we really appreciate this incredibly kind gesture.

Hot Chocolate

We hope that families are enjoying their 'hot chocolate' that their child (and parent) have received. The New Chapter Team very much value the support, time and patience that parents are showing in order to manage their children's home learning. Any work carried out at home will support your child's ongoing learning journey.

Safer Internet Day 2021

Tuesday 9th February is Safer Internet Day, it is celebrated every year across Europe, and in other countries worldwide. This year's theme is: An internet we trust: exploring reliability in the online world.

Safer Internet Day 2021 celebrates the amazing range of information and opportunities online, and its potential to inform, connect and inspire us, whilst also looking at how young people can separate fact from fiction.

At New Chapter Primary School, we believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. This year, because we are not all together, Mrs Williams will be recording an assembly for the children and setting it as an assignment on Teams, with an activity for all the children to complete.

If you would like further information on Safer Internet day please visit:

Thursday: 10.00am - 5.00pm

Friday: 10.00am - 5.00pm

Saturday: 10.00am - 1.00pm

Carnival time arrived in Year 6

Year 6 have been learning all about the flamboyancy of carnivals in Brazil and really embraced their learning tasks when it came to making masks and head pieces. In school, the paint, glue and glitter was released and the children had an amazing time creating their own masks. At home the children have also been busy creating some amazing examples of work which they have photographed and sent in.

Masks made in class

Xander's mask he made at home

Frankie's Creation

Holly's Mask

Well done everyone - you all clearly had an amazing time!

Lily's Creation

The Year 6 Team would love for children and parents to keep the emails coming as we really enjoy seeing how hard you are all working at home.
