Class 4's News

Class 4 have had a fun start back to school with their topic *Who Am I?* On WOW day, they took part in a lot of lovely activities to help them explore all about themselves. They made 'Maths about Me' people, looking at the numbers relating to them, and shields to show what is important to them.

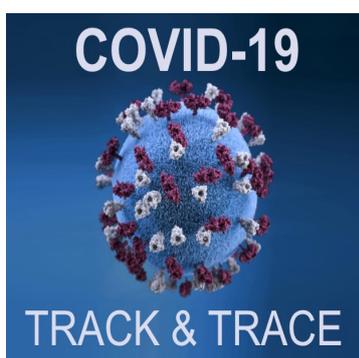

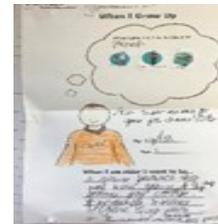

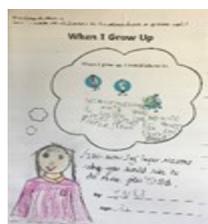

In art, they have been learning about self-portraits. They learnt how to draw pencil sketches of their faces and used shading techniques to highlight their features. They then applied these skills to use oil pastels to complete a self-portrait with colour. In computing, they learnt how to take silly selfies using props and a background!

In PSHE, Class 4 have been thinking about what job they would like to do when they grow up. Jade would like to be a psychologist and Ayden would like to be a gamer! The children have also been exploring their family trees and made some lovely diagrams showing the different members of their families.

In English, Class 4 have been learning about different emotions and strategies they can use to help them. They made fantastic mind maps of their knowledge, and this week they are using these to create some information pages about different emotions.

We have been asked by the government to continue a contract tracing service over the Easter break. If your child develops COVID symptoms within 48 hours of being in school and subsequently receives a positive COVID test, please inform school via email on ncoffice@mket.org.uk. This will enable us to contact anyone who has been in close proximity to your child and ask them to self-isolate, to prevent the spread of COVID-19. Thank you for your continued support.

**Last day of term today.
Children return to school on
Monday 12th April 2021.**

A massive **Thank you** to Morrisons' for their donation of Easter Eggs, which were raffled in every class.

BAKE OFF COMPETITION

Ashby House Care Home invites you to take part in a virtual Bake Off Competition to celebrate Easter.

We're asking you to send in photos of your cakes, bakes and biscuits with an Easter theme which our residents will judge. The competition is open to all, and is split into 3 categories, 11 years and under, 12-17 years and over 18s. There will be one winner per category, and each winner will receive a Hobbycraft gift voucher. A prize will also be given to the school or organisation that submits the most entries.

To enter, please:

1. Email your photos along with your name, age, where you go to school or where you work and a description of your baked creation to ashbyhouse.activities@barchester.com
2. Post a picture of your creation to our Facebook page @BarchesterAshbyHouse

Closing date for entries is Sunday 18th April 2021
