

New Chapter School

PE News

The PE team have been delighted with the progress of all children at New Chapter within PE lessons and extra-curricular activities, this year. We started off welcoming the new member of the PE team, Mr McGrath, back in September. The year started really well, with positive lessons from the off. We have been delighted with how the children have applied themselves to all areas of PE.

In EYFS, the children have been a joy to teach. They have been learning new skills through various games to enhance agility, balance and co-ordination. The children have excelled and become confident, active learners. They have even been able to take some of these skills and apply them to more structured games within their lessons.

Within Key Stage one, we have been thrilled with the progress the children have made. They have been able to learn and develop core skills, beginning to apply them to different areas of PE such as football, tennis, hockey and gymnastics. Within clubs, we have been delighted to see so many different faces attending, providing the children with extra opportunities to learn and develop.

In Key Stage two, the children have thrived in PE, demonstrating the school values and high levels of sportsmanship. They have been aiming to develop their previously learnt skills, applying them to different topics within PE. So far this year, they have covered topics such as basketball, cricket, netball, football and gymnastics. With the summer term upon us, we look forward to learning new skills within Athletics.

At the turn of the year, we started to have a PE star of the week for each year group across the school in which one or two children were awarded Dojos for going above and beyond within lessons. We then created PE star of the term in which the PE team come together to decide who has consistently demonstrated the School and PE values throughout the whole term, within PE lessons.

Well done to our PE stars for the spring term.

We have also been delighted to expand our play leader programme this year, in which not only years 5 and 6 have become responsible leaders, but some of year 3 and 4 have been selected to become play leaders and role models to the KS1 children at break and lunchtimes, developing responsibility, leadership and communication whilst leading activities.

In other news, we have been delighted to be able to start participating in events and competitions again, starting with the hugely successful cross country event back in November, in which the children did the school and more importantly themselves proud with the commitment, hard work and perseverance they showed.

We also took part in the Year 6 boys football league over the Spring term in which the boys were phenomenal. We were hugely impressed with their team work, sportsmanship and the way they represented our school was amazing to see.

We are now looking forward to the participating in more events and fixtures going forward, starting with the girl's football league which starts next week. We also look forward to many other competitive fixtures such as athletics and rounder's events.

We look forward to the summer term and all the exciting things the PE team has planned, and know that the children will continue to work hard and excel in PE.

PE STARS OF THE TERM

EYFS – Thujavan & Sozo

YEAR 1 – Thurkga & Ilyas

YEAR 2 – Najuna & Ivy

YEAR 3 & 4 – Thuvaraga &
Corey

YEAR 5 – Iyana & Yakub

YEAR 6 – Rayan & Angel

For great effort and showing the school values in PE
HONESTY, INTEGRITY, EQUALITY, TOLERANCE, RESPECT, RESPONSIBILITY AND KINDNESS

KEEP
ACTIVE
AND
STAY
HEALTHY

Wow Day – Year 1

As part of our Jack and the Beanstalk topic, the adults became characters from the story and acted it out using props. The children really enjoyed listening to the story and had the opportunity to act it out on the stage too.

In Science and Geography, we then talked about growing and followed the steps to plant our own runner beans and sunflower seeds. We then completed our bean diary and will need to continue to monitor how our beans grow over the next few weeks.

We learned about Daisy the cow from the story and compared milking a cow by hand and using a machine. We had lots of fun having a go at “milking a cow” too!

EYFS put on their ‘Wonderful Wellies’ and have been finding out about frogs. We have explored where they live, what they eat and the life cycle of a frog. We have a tank in the classroom and will be watching the tadpoles closely as they begin to grow their back legs and slowly turn into frogs.

Joy in Class 3 recently participated in a gymnastics competition at Gymfinity and won a Gold medal! She was very happy with her achievement and loved sharing the news with her class.

ROAD CLOSURES SUNDAY 1st MAY 2022

- 05:30 – 09:10 – Midsummer Boulevard between Grafton Gate & Witan Gate
- 08:30 – 09:10 – Midsummer Boulevard between Witan Gate & Saxon Gate

Average attendance for last week was 91.3 %

BIRTHDAYS.

We would like to wish a very 'Happy Birthday' to the following children who are celebrating their Birthday this coming week:

Chaye, Jacob, Alfie, Amson, Khalid, Alfie-Jay,
Jordan, Dolan, Rayan, Darius, Ramla.

Hot Chocolate Friday

Congratulations to the children who were chosen to have Hot Chocolate with the Headteacher on 1st April 2022. Thank you for consistently displaying the school values and a fantastic attitude to all aspects of school life.
