Class 10's News

In class 10, we have loved every minute of our topic- Victorians an Era of Inventions. The children have been learning about what inventions came out of this era and analysing their impact on society in both Victorian times and the present day.

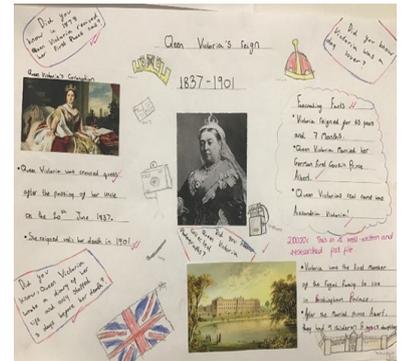

Wow Day launched us whole-heartedly into what school life was like for Victorian children. Girls learnt how to cross-stitch whilst the boys created technical drawings of the first steam engine.

Art lessons taught the children how to draw a Victorian street using horizon lines and a focus point to create perspective.

Stefan spent his weekend re-creating his perspective drawing and then finished it off with acrylic paint

We have investigated the importance of Queen Victoria and her role in creating sustainable and profitable trade links across the world.

Here is what some of the children have learnt during our topic:

Many things were invented during the Victorian times, here are just a few:

I loved the Victorians topic because of all the facts we learnt. Did you know telephones and photographs were invented during this time? Laylah

Did you know the Victorians also invented ice cream? Andreea

My favourite part of the Victorians was Wow day! On that spectacular day, we learnt interesting and intriguing facts. Shulamite

At New Chapter Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the 'Changing Me' Puzzle (unit), which will take place after half term. We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this.

Some lessons in Years 3-6 may cover elements of this, next half term. If you wish to discuss the content covered in your child's year group, please contact the office to arrange a discussion with Mrs Henderson. If you do not wish your child to take part in the lessons that cover human reproduction, please inform us by emailing the school office informing of this.

Children return to school on Tuesday 7th June.
