Year 3's News

We've had a wonderful start to our final half-term in Year 1! It's absolutely incredible how much everyone in Class 3 has grown during this year – both in height but also in brains! In our final topic, called 'Who Am I?' we explore our personalities, physical characteristics as well as our families and the different communities we belong to. We are all realising how unique yet similar we are! We kicked off the topic in style by creating a wonderful display of our Maths about Me activity which involved the different numbers that make us unique, such as how many teeth we've lost and what our favorite numbers are.

Do you recognise anyone?

Our topic lessons this half term cover a wide range of subjects, such as Science, RE, History and Geography and we explore everything from our local area, our family history through family trees, how our bodies function and the human life cycle. We also explore our own unique personalities through a breadth of art skills, including sketching self-portraits.

Our English lessons are also closely linked with the 'Who Am I?' theme and this week we've been busy writing riddles about ourselves for our very own 'Guess who?!' game! We've used lots of descriptive clues about what we look like and what we like to do and we're hoping Mr Billing might have a go at playing the game when it's finished. We wonder if he can solve the clues?

In Reading, we have already managed to read some lovely books about emotions which have supported our understanding of how to manage them. For example, we've been practicing breathing and counting to 10 if we feel we're getting angry, which has been a great skill to learn. Next week, we'll be using this increasing emotional literacy to write an information booklet about how to deal with different emotions – which we we'll be able to read and use if we ever need some support.

We've also been adding to our area showing our class identity and how we work together as a team.

EYFS News

When we returned to school last Tuesday, we had an exciting couple of days as our butterflies emerged from their cocoons. We waited until Friday to release them. This allowed them time to dry their wings and for the winds to drop.

The Bucks County Show, which is one of the biggest one day agricultural shows in the Country, will be held at Weedon Park, three miles north of Aylesbury on Thursday 1st September 2022.

The main attractions this year will be The Bolddog Lings Freestyle Motorcycle Display Team, Military Band, The Sheep Show, Vintage Tractors, Countryside Area and much more. This is a fantastic fun and educational day out for all the family.

This year we are offering up to 3 FREE Child tickets (up to the age of 16) with a full paying Adult or Over 65 ticket when purchased online. To take advantage of this offer please click the link below and follow the instructions. This offer ends at midnight on 31st August 2022.

How to be Sun Safe with Shade Man

- Sunscreen must be applied before you go outside in the sun for it to work
- Wear sunglasses and don't look directly at the sun
- To keep protected you should use all forms of cover including hats, sunglasses, clothing, sunscreen and shade
- Wear a hat such as a sun cap like mine to keep your head cool and protected
- Don't stay in the sun any longer than 15 minutes without protection
- Keep hydrated, especially on very warm days
- Always play in the shade
- Reapply sunscreen regularly even when using 'once a day' and 'water resistant' sunscreens
