New Chapter School

It's a thumbs up from Class 10!

This week, I asked Class 10 for some words of wisdom from their experiences so far in Year 6. The final year of primary school can be seen as hard or scary, but rest assured, Class 10 can squash those worries.

Below are quotes taken from the children who were discussing the great things about Year 6:

"The books you read are so amazing, I look forward to class reader every day!"

"I feel like I've grown up so much since September."

"The teachers are funny; they make me laugh when we learn."

"The best thing about year 6 is the topics, especially researching World War One, it was so interesting and fun."

"Year 6 has amazing teachers, fantastic books and interesting subjects. It's great!"

Mrs Catlow asked the children to think of some words of advice they would give to a year 5 pupil entering year 6. Below, are the thoughtful comments from the children:

"Do not be nervous just because it is Year 6, enjoy every second as it's the last year of primary school."

"Make sure to try your best and just have lots of laughter and fun".

"There is so much to look forward to in Year 6, have fun and don't worry."

Completing this activity with class 10 demonstrated the growth they have made since September and how every individual will continue to flourish. The adults that work with Class 10 are so very proud of what they have achieved so far and excited to see them grow further. Class 10 are a true example of 'Learning, Love and Laughter.'

Mrs Catlow

Dear New Chapter,
Greetings from space.

What an exciting journey we had space!

We have learnt that there is no gravity in space so everything floats! We also discovered that there is more than just the moon and stars in the sky above us, there are other planets too! Using information books, we were able to find out more about the planets. It was fun to learn about Tim Peake and very funny to watch him sleep in space!

Next week, we are putting on our snorkel and flippers, then diving down into the depths of the ocean. See you soon

Average attendance for last week was 94.7%

Attendance needs to improve. Let's work towards all children being in school as much as possible. It would be great to see a big increase in the next few weeks.

Parents Evening

Face-to-face parents evenings will take place on 13th and 14th February. Bookings go live on Friday 2nd February and close on Monday 12th February via the usual Eschools system.

Parking

Please could parents driving to school be mindful of how they park when dropping their children off in the morning and picking them up at the end of the day by remembering the following from the Highway Code:

- No stopping or dropping on the School Keep Clear yellow zig zags
- No stopping or dropping on the pedestrian crossing white zig zag lines
- Please do not block the entrance to the school car park
- No double parking
- No parking on corners or junctions.

That way we can make sure that all children and their families are safe. Thank you for your consideration.
