Year 6 News

We couldn't have asked for a more exciting start back at school than the news that Mrs Green gave birth to a beautiful baby girl! We hear that mummy and baby are doing well. Congratulations Mr and Mrs Green!

The children settled back to life in Year 6 and were immersed in more activities relating to the topic, 'Rumble in the Jungle,' by looking at the life of tribes in the Amazon and making a start on their art work. It has been lovely to see the children back, eager to learn.

In the approach to their national tests in May (week of May 13th), we would like to invite parents and carers to a SATs meeting, where the teachers will run through what to expect and how to support and prepare your child for their upcoming tests. Parents and carers will also have the opportunity to take a look at past test papers - which is something the children always like to see!

We hope to see as many of you as possible on Thursday 7th March from 3.40pm - 4.10pm. Any children attending, must be accompanied by an adult for this meeting.

Please come to the office after collecting your child, for access to the meeting.

Staff regularly update the Year 6 eSchools page, which offers a range of websites and links to reading, writing,

SPaG and maths. We would highly recommend the children access this at home as a way of topping up their developing skills.

Many of the year 6 children will be taking part in the residential visit to Boughton Woods, Northamptonshire in June. A kit/equipment list was emailed to parents/carers of those attending. If you are having any difficulty with any part of the kit, please let a member of the year 6 teaching team know, so that we can help if we can.

Inspiring Futures through Learning

Monday 4th March 2024- 3.30pm

The leaders from IFtL, including CEO Sarah Bennett, will be at school to share information with parents about the trust and changes that are likely to be made. If you have any questions, please attend the meeting or email your questions to the school office ncoffice@mket.org.uk. The meeting will take place in the school hall, please come round to the office to gain access.

Average attendance for last week was 93.2%

Attendance was poor on the last week before half term. Let's work towards all children being in school as much as possible so they are not missing out on key learning opportunities.

In EYFS, we have had an exciting start to our new topic 'Superheroes' this half term. We were lucky to have a visit from the firefighters. They showed us around their fire engine and even turned on the blue lights and the siren. It was very loud! We can't wait to learn more about superheroes in our community and how they help us.

BIRTHDAYS

We would like to wish a very 'Happy Birthday' to the following children who are celebrating their Birthday's next week:

Miller, Kerry-Yoan.

Remember to think about your **World Book Day costume** this week to wear on **Thursday 7th March**. You may also want to find a book that you have read and no longer want to add to your class' **book swap**.
